Bringing you over 100%

# TwistRoll

Using the false-twist effect to further boost your EliTe performace

TwistRoll is an enhancement to your EliTe system that provides you with the freedom to choose what to improve. Easily mounted and set, it has only one spare part and a return on investment of 1.5 – 2.5 years. After years of development, we can provide you with a solution that is not only ingenious, but simple.
